August 21st to August 27th, 2011

Security Situation

Since the beginning of the year,
During this week the terror organizations launched 45 rockets and mortar shells towards Israel.
On Thursday, August 25th, rockets were launched directly towards Erez crossing.

General

- ▶ Overall, 863 truckloads (19,920 tons) were unloaded at the crossings.
- ▶ During this week the crossing operated partially due to the Palestinians' request due to the Rammadan holiday and the security situation.
- ▶ Heavy-duty diesel for the power plant is delivered directly from Egypt according to the Palestinians decision; therefore, no diesel is transferred from Israel.
- ▶ Next week the crossings will be closed due to the Id-Al-Fiter holiday in accordance with the Palestinians' request.

Erez

4.8% decrease in the number of people that crossed through the Erez crossing

107 international organization staff members entered Israel.

77 international organization staff members entered the Gaza Strip.

284 patients and accompanying individuals crossed into Israel and the West Bank.

This week (on August 25th) the terror organizations from the Gaza Strip continued launching rockets and mortar shells towards Israel. During the attack a few mortar shells hit Erez Crossing, while 3 women and 2 infants were crossing back to the Gaza Strip after receiving medical treatment in Israel. Due to the damage caused to the crossing from the mortar shells, the Palestinians were trapped in the crossing. They were rescued and brought to safety, where they received medical treatment.
